

Call for Application.

Erasmus + Action KA107, International Credit Mobility (ICM).

The University of Catania (UNICT-Italy) has started the procedures for selecting outgoing professors for teaching and training activities for the academic year 2019/2020 in the framework of Erasmus + Action KA107, International Credit Mobility (ICM).

An inter-institutional agreement is already signed with the Lebanese University, Faculty of Engineering where a **7 days Faculty members mobility** is foreseen in this agreement.

We therefore ask the Lebanese University, **Faculty members of the Civil Engineering departments** to propose applications for E+ mobility for the second semester 2019-2020 (March-September).

The scientific framework and thematic area is: “Safe roads, Roads safety and safe mobility”.
